## WELCOME EARTHLINGS!

EasterFest 2004 will let you capture those last wonderful moments of Perth IV (just one more time!) at the official post-PIV party. It will also give you a taste of things to come when Melbourne IV arrives in 2005; and celebrates MUCS' 65<sup>th</sup>, MonUCS' 42<sup>nd</sup> (the answer!) and ROCS' 5<sup>th</sup> anniversaries. Finally, it also heralds the fact that, as yet, no interstellar bypasses have been announced for Melbourne...

So dust off your books of Vagon poetry, bring some money for Pan-Galactic Gargleblasters and Babel fish, rummage around for that dressing gown, and make a reservation for The Restaurant At The End Of The Universe! Join us in Melbourne for Life, the uMVerse and Everything - EasterFest 2004.

This festival will feature Melbourne's unique tradition of the "Soprano Aria" (for tenors and basses only!), a fabulous formal Dinner (frock up!), a soir  e, and other fun events designed to celebrate all things choral, festive, and Douglas Adams-y!

See the next page for an overview of your exciting itinerary!

ONE

The closing date for registrations and merchandise orders is **19 MARCH**.

Registrations after this date will incur a late fee.

Merchandise orders can still be taken after this date, however the cost of items will be higher (because we have to order a smaller run of goods), and there is no guarantee your order can be fulfilled.
